Trout-in-the-Classroom Expense Reimbursement

We have \$25,453 in restricted funds from TU National to use to support TIC programs in Virginia. If your chapter has spent money on equipment during the last fiscal year (April 1, 2021 to date), or has plans to buy new or replacement equipment in the next fiscal year, please provide those amounts to me and Bill Pierce (Treasurer) via email before the end of December 2021. After we receive these figures, we will establish some criteria for disbursing these dollars as equitably as possible to chapters in the Commonwealth. For your future estimates, if you have situations where you would not be able to afford to buy equipment for a school without these Council funds, it would be helpful to know that.

Jim Wilson (jhw210@juno.com) Chair VA Council

Bill Pierce (bpiercejr@gmail.com) Treasurer
